RUSH COUNTY STORM DRAINAGE PLAN

Don Humphrey, an engineer with BFA, presented the plans for Pavey Convenience Store. He explained Rule 5 which concerns the proposed building of the store which is to be built in Milroy. A motion was made by Levi, with a 2nd by Masters, to approve the plan. Motion carried.

The Surveyor presented the drainage plan for Farm Credit. A motion was made by Levi, with a 2nd by Masters, to approve the plan. Motion carried.

WALTER B HILL TILE

The Surveyor along with Henry County Surveyor Steve Rust discussed water which has been draining from the Knightstown School football field into this Rush County drain. Surveyor will work with the Knightstown School Board to find a solution to this problem. Additional waters are also draining into this tile and these waters are not now being assessed. A hearing will be set in the near future to add this area to the watershed.

JOHN WISSING TILE

Surveyor says trees near the outlet need to be removed. He will get an estimate of the cost before proceeding.

There being no further business to come before the Board a motion to adjourn was made by Masters, with a 2nd by Levi. Motion carried.
